much deep water costs the general gov- nests with a microscope. He has found of Sabine Pass. ernment, why get it all for one place? one in the United States sub-treasury of over the discovery than Columbus made

SENATOR MORGAN doesn't want ignor- United States at New Orleans was vioant, worthless toafers educated at the public expense. That sounds a good silver dollars and issue silver certificates. Galveston or Aransas, and it will have statement is made, and Turkey will be southwest corner Main and placed under arrest immediately. deal like what we used to hear before the therefor. To ascertain the facts, he sub. Voice of our business population. war. Did Senator Morgan ever reflect mitted a resolution to inquire into the conduct of the said sub-treasurer, and to been ignorant loafers if they had been ascertain why he took so much authority educated? and that the way to keep their upon himself. The resolution was made children in the same condition is to deny the text for a lot of virtuous declamation him when he grows up!" from a number of pro-silver Democrats, and Republicans seized the occasion to make some stump speeches from a partisan view; then the resolution was adopted.

> The New Orleans Picayone puts a dif. ferent face on the matter. The Picayone presents the case in this light:

The sub-treasurer here never has refused to receive silver coin and give therefor sliver cortificates. When a Memphis bank shipped silver State National bank of New Orleans" he refused know where to come to receive the same, notifying the State Nation al of the fact, and stating if they took charge of the shipment and presented it in proper form he would furnish certificates. If the State National bank has no vault room it is not the fault or the government. The sub-treasure 's nstructions are very properly to rece ve money only "for account of the United States" The sliver for the issue of certificates as fast as he ould count and examine the same, as he alone his anxious wife. is responsible for counts felt or mutilated coin patronage from any man or any set of He is only allowed a certain elerical force, and alone remains." men, and concedes the further right of the capacity to issue certificates is therefore any man or any set of men to ask their limited. Our banks all understand this very well, and before sending down eilver telephon

The issue of silver certificates is extra work cotting him for not doing as you do is It is in addition to the reception and care of public moneys from the custom-houses, internal revenue collectors and postoffices in Louisi-

ana, Toxas and Mississippi. During the fall silver do lars are shipped to the country to pay off laborers, and after Christmas they begin to collect in the banks and are sent back here for conversion into confidentes, making an undue pressure for awhile. During November and Docember the sub-treasurer. here shipped daily to the interior about 20,000 standard d llars. This is now coming back to

fy his ill feeling toward the Democratic administration by holding it up as a vielator of the law. Such an action from president of his party, unless he wanted to identify himself with the opposition.

SABINE PASS OR GALVESTON: Pursuant to an anonymous call pub-Fort Worth will meet to-day to take some united action in favor of having congress provide for an harbor at some convenient point on the gulf coast. We do not understand that especial preference is to be given to the claims of any single point. Presumably the meeting is to be for the exchange of views by the advocates of Sabine Pass, Galveston and Aransas Pass, and the peculiar advantages of each will be presented by who-Galveston to promise an extension of the ever has a mind to take part in the discussion.

The only interest Fort Worth can have Galveston, and then not build the exten. the coast most accessible to this city. a year he has made Jay Gould come to sions? The expressions of opinion are for The commercial prosperity of our city can alone be considered. If it is demonstrated that we have more to gain by deep water at Sabine Pass, the meeting should resolve to support the claims of that port. If there is more to be gained at Galvesested in the fate of her sentor United ton, the resolution should be made to ey. The Gazette cannot afford to open States senator, Mr. Jones. He is in De. favor deep water there. And the same to adjust their several difficulties. And may be said of Aransas Pass or any other

The advocates of Sabine Pass and Galveston have various arguments in support of those respective places. For the latter it is urged that a large city aiready exwidower with five or six children. He ists, that much capital is invested there, and that the means of handling a large business are at hand, when the harbor is made accessible to ships. For the former it is contended that permanent deep waleave Detroit until the widow succambs. ter can be obtained at much less expense "Please increase order dve copies."
